<p>THE ADVANTAGES OF TRANSFER ON DEATH REGISTRATION</p> <p>Efficient Transfers with Cost Savings: Ownership of your account is transferred to your beneficiary without the costs or delays of a probate proceeding.</p> <p>Control: You control the account during your lifetime and can change your beneficiary at any time.</p> <p>Stepped-Up Cost Basis: The value of the account at the time of your death becomes your beneficiary’s “cost basis.” There are no income taxes for your beneficiary on the unrealized gains (there may be estate taxes due). Example: You invest \$10,000 in a Lord Abbett fund. At your death, the value of your account is \$20,000. The cost basis for your beneficiary is \$20,000. If your beneficiary sells the shares for \$20,000, there are no income taxes due.</p>	<p>PLEASE REVIEW THE FOLLOWING BEFORE COMPLETING THIS FORM</p> <p>Eligible and Noneligible Accounts: Single accounts and joint accounts with rights of survivorship are eligible. Fiduciary, retirement, tenants-in-common, institutional, corporate, or gift-to-minor accounts are not eligible.</p> <p>Multiple Beneficiaries: Account owners may register the TOD account to multiple beneficiaries in unequal or fractional shares, provided that the individual designations in total are equal to 100%.</p> <p>Minor Beneficiary: You may name a minor as your beneficiary only if a custodian, trustee, or guardian for the minor is also named.</p> <p>Primary and Contingent Beneficiaries: A primary beneficiary will receive your account upon your death. A contingent beneficiary will receive your account only if there is no primary beneficiary alive at the time of your death.</p> <p>Note: You should consult with your attorney to make sure that your beneficiary designations are consistent with your estate and tax-planning goals.</p>

STEP 2: TRANSFER ON DEATH DESIGNATION

The beneficiary has no right to the account until after your death.
- If there is no primary beneficiary living at the time of death, the balance is to be distributed to the contingent beneficiaries.
- If your beneficiary allocation totals at least 99%, but less than 100% (e.g., three named beneficiaries are each assigned a 33.33% interest in the account), Lord Abbett will assign the unallocated remainder to the first beneficiary.

STEP 4: MEDALLION SIGNATURE GUARANTEE (or Signature Guarantee)

<p>A Signature Guarantee is required on the Transfer on Death Registration Form when adding a beneficiary. To obtain a Signature Guarantee, sign this form in the presence of an authorized person at a broker/dealer firm or at another financial institution, such as a bank or trust company. A notarization from a notary public does not meet Signature Guarantee requirements. Medallion Signature Guarantees must cover the amount of the requested transaction. There are several different guarantee amounts, so it is important to acquire a guarantee amount equal to or greater than the amount of the transaction(s).</p>	<p>Please place Medallion Signature Guarantee here.</p>
