STEP 5: MEDALLION SIGNATURE GUARANTEE (or Signature Guarantee) (if required)

A Signature Guarantee is required on the Dividend Move Authorization Form, if the registration for the first account is not exactly the same as the second account. To obtain a Signature Guarantee, sign this form in the presence of an authorized person at a broker/dealer firm or at another financial institution, such as a bank or trust company. A notarization from a notary public does not meet Signature Guarantee requirements. Medallion Signature Guarantees must cover the amount of the requested transaction. There are several different guarantee amounts, so it is important to acquire a guarantee amount equal to or greater than the amount of the transaction(s).

Please place Medallion Signature Guarantee here.
