STEP 7: MEDALLION SIGNATURE GUARANTEE (only if required by current SIMPLE IRA Sponsor)

If you are liquidating securities, your existing SIMPLE IRA trustee/custodian may require a signature guarantee. To obtain a signature guarantee, sign this form in the presence of an authorized person at a broker/dealer firm or other financial institution, such as a bank or trust company. A notarization from a notary public does not meet signature guarantee requirements.
Medallion Signature Guarantees must cover the amount of the requested transaction. There are several different guarantee amounts, so it is important to acquire a guarantee amount equal to or greater than the amount of the transaction(s).

Please place Medallion Signature Guarantee here.
