 Select this box if you have enclosed a separate check for the initial custodial fee.

All distributions will be reinvested. Exchange privilege is offered within the same class of shares.

STEP 6: BENEFICIARY DESIGNATION

If you have an additional primary beneficiary(ies), or wish to designate an additional contingent beneficiary(ies), please attach a separate list. If you cannot accomplish your estate planning objectives by using Step 6 to designate your beneficiary(ies), you may submit another form of written beneficiary designation to the custodian.

Upon my death, distribute all funds in my 403(b) as listed below. I revoke all prior beneficiary designations, if any, made by me for these assets.

I understand that if I do not designate a beneficiary, assets will be paid to my estate. If the custodian receives satisfactory proof that a primary beneficiary(ies) has predeceased the applicant, the assets will be paid to the contingent beneficiary(ies).

I understand that I may add to or change the beneficiary(ies) designated below at any time after the account is established by filing a new beneficiary designation with the custodian. Any such subsequent beneficiary designation will revoke all prior designations. (If no percentage is specified, the account balance will be shared equally among all designated beneficiaries.) All forms must be acceptable to the custodian and signed by me.

If your beneficiary allocation totals at least 99% but less than 100% (e.g., three named beneficiaries are each assigned a 33% interest in the account), Lord Abbett will assign the unallocated remainder to the first named beneficiary.

Spousal Consent

This section should be reviewed if you are married and designate a beneficiary other than your spouse. It is your responsibility to determine whether this section applies. If you are married and reside in a community property or a marital property state (AZ, CA, ID, LA, NM, NV, TX, WA, or WI), you must obtain your spouse’s consent if you have not designated your spouse as the primary beneficiary for at least half the account. You may need to consult with a legal counsel. Neither the custodian nor the plan sponsor is liable for any consequences resulting from your failure to provide proper spousal consent.

I am the spouse of the above-named participant. I acknowledge that I have received a full and reasonable disclosure of my spouse’s property and financial obligations. Due to any possible consequences of giving up my community property or marital property interest in this 403(b), I have been advised to see a tax professional or legal advisor.

I hereby consent to the beneficiary designation(s) indicated above. I assume full responsibility for any adverse consequence that may result.

STEP 7: WITHHOLDING CERTIFICATION

U.S. tax regulations require the completion of this section in order to prevent the imposition of penalty withholding tax on distributions from the account. As required by IRS regulations, I certify that I am either a U.S. person (a U.S. citizen or a resident alien) or a foreign person (a nonresident alien), as indicated by checking the appropriate box below, and I make the related certifications.

A U.S. person. I certify that the number shown above in this Adoption Agreement is my correct Social Security number (or that I am waiting to be issued a Social Security number); and I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding. (NOTE: Cross out this sentence if you have been notified by the IRS that you are currently subject to backup withholding because of failure to report all interest and dividends on your tax return.)

A foreign person. I understand that the IRS does not require consent to any provisions of this document other than the Form W-8BEN certification required to avoid backup withholding and qualify for a tax treaty rate of withholding (see IRS Publication 515).

I understand I may designate a beneficiary for my plan assets.

By signing below, I represent and warrant that I have consulted with my financial advisor or other non-Lord Abbett fiduciary about my purchase of any mutual fund interests. I also represent and warrant that information that I may have accessed or will access through Lord Abbett’s website, fact sheets, or other materials, including, without limitation, investment tools, investment ideas, products or services, are general and/or educational in nature and are not directed to my personal circumstances. In connection with the operation of my account, I make the following specific representations and agreements:

Section 5.2 of the 403(b) Custodial Account Agreement provides for withdrawals in the event of financial hardship. If I request a hardship withdrawal, I agree that I am certifying that I have a financial hardship as specified in Section 5.2 of the 403(b) Custodial Account Agreement and that the amount requested satisfies the limits specified in such section. In addition, I acknowledge that there are restrictions on payroll investment contributions following a hardship withdrawal which are specified in Section 5.2, and I agree to abide by such restrictions.

I acknowledge that it is my responsibility to report all withdrawals from the account correctly on my tax returns, and to keep necessary records of all 403(b) accounts (including any that may be held by another custodian or insurer) for tax purposes. All forms must be acceptable to the custodian and dated and signed by the proper person.
