MEDALLION SIGNATURE GUARANTEE (if required)

A Medallion Signature Guarantee is required on the Letter of Indemnity Form. To obtain a Medallion Signature Guarantee, sign this form in the presence of an authorized person at a broker/dealer firm or at another financial institution, such as a bank or trust company. A notarization from a notary public does not meet Medallion Signature Guarantee requirements.

Note: There may be other unique situations that require a Medallion Signature Guarantee. The Lord Abbett Funds and their transfer agent accept Medallion Signature Guarantees executed by an eligible issuer participating in the Securities Transfer Agents Medallion Program 2000 (STAMP2000). Eligible issuers include U.S. domestic banks, credit unions, savings associations (including savings and loan associations), trust companies, national securities exchanges, registered securities associations, and clearing agencies. Also acceptable are broker/dealers, municipal securities broker/dealers, and government securities broker/dealers whose net capital exceeds \$100,000. For your protection, a Medallion Signature Guarantee is required for certain requests. Notarized signatures or signature guarantees from financial institutions that are not participating in one of these programs will not be accepted.
