- is requesting a distribution to be deposited to a bank account not currently on file or if the bank account has been updated within the last 15 days.
- is requesting a distribution to be made payable or mailed to an address not currently on file.

Medallion Signature Guarantees must cover the amount of the requested transaction. There are several different guarantee amounts, so it is important to acquire a guarantee amount equal to or greater than the amount of the transaction(s).

To obtain a Medallion Signature Guarantee or Signature Guarantee, sign this form in the presence of an authorized person at a broker/dealer firm or at another financial institution, such as a bank or trust company. A notarization from a notary public does not meet Medallion Signature Guarantee or Signature Guarantee requirements.
